

Governor Lamont contact information:

Phone number: 860-566-4840

Toll-Free: 800-406-1527

TDD: 860-524-7397

Instructions:

1. Be prepared before you call
 - Have the provided script in front of you, if necessary, practice once before you dial
 - Find a quiet place so you can speak clearly
 - Take a breath and remember it's okay to read directly from the script
2. Call the appropriate phone number
 - Use the official phone numbers provided above
 - Make sure you call during normal business hours when possible
3. When someone answers
 - Politely greet the staff member
 - Read the script as written, speaking slowly and clearly
4. If no one answers:
 - Leave a voicemail

Script:

Hello, this is NAME, I live in TOWN.

I'm calling to ask Governor Lamont to release \$1 million to Generation Power CT (formerly Operation Fuel). Without additional funds committed by this Friday, April 17, GPCT will have to deny more than 1200 Connecticut families who need emergency energy assistance - right before the winter shutoff moratorium ends. Families in an emergency need somewhere to go – please do everything you can to help GPCT support as many people as possible. Thank you for your consideration.
